Academic Department Planning Calendar

This calendar is for planning purposes. Throughout the year there are regular data-gathering projects that take place between academic departments and the Office of the Registrar (OTR). Most of these are seasonal, with some tied to specific weeks within the semester. Because of this, the majority of the deadlines are firm and unmovable. This calendar was created to assist academic departments in their planning and anticipation of these regular and routine tasks.

SPRING SEMESTER

JANUARY

The month of **January** includes the start of the Spring semester.

OTR highlights include (January):

- Calculate Fall end-of-semester academic standing.
- Notify impacted UG students of their Fall end-of-semester academic standing (probations/suspensions).
- Notify students who failed pre-req courses in Fall (for a registered Spring course) of schedule changes.
- Publish student submitted Fall semester course/instructor evaluation data in ESTHER.
- **Spring Semester – Week 2 Deadlines (Full Term Courses only)**
 - “Add” Deadline, variable credit, audits, pass/fail conversions, refunds, withdrawals, etc.
{See the year-specific Academic Calendar for more detailed information on the above.}
- **December Degree Candidates:** Final certification of UG graduation requirements; Prepare and present at faculty senate plenary meeting for conferral of December degrees. Prepare final list of Graduate level December degree candidates for review by GPS.
- **May Degree Candidates:** Notify UG May degree candidates of graduation requirement deficiencies.
- Draft of Summer Schedule of Courses to Dean’s offices for review

We need academic department assistance with the following (January):

- **Please assist in the submission of any outstanding (and late!) final Fall grades.**
- **Fall Outstanding OT Grades:** Assist in the follow-up and submission* of outstanding OT grades from previous Fall. After the Week 1 submission deadline, any outstanding OT grade will be converted to a failing grade.
- **Fall Outstanding INC Grades:** Assist in the follow-up and submission* of outstanding INC grades from previous Fall. After the Week 2 submission deadline, outstanding INC grades are converted to failing grades.
- **May Degree Candidate Certification:** Pick up major, minor, and certificate certification lists in the OTR. Please be advised that we are not permitted to release grade rosters to a department’s student workers.
- **Course Catalog & Schedule Updates (for Spring semester):** Please visit <http://courses.rice.edu> to identify and notify the OTR of any missing course instructors and meeting times.
- **Course Catalog & Schedule Updates (for Summer Sessions):** Provide final confirmation on Summer Schedule of Courses.

JANUARY

***PLEASE NOTE (Grade Changes):**

a) The updating and replacing of a temporary (OT or INC) grade is handled as a Grade Change. After the deadline for submission, outstanding OT and INC grades are converted to failing grades.

b) In order to ensure appropriate internal controls, instructors or their designate must come in to the OTR to complete the paper Grade Change Form, available by request at the Front Desk.

c) As noted in the Faculty Grading Guidelines, documented in the GA, "Instructors may not change a semester grade after the grade has been submitted to the Office of the Registrar, except when there is a clerical error in calculating the grade." More info at: http://ga.rice.edu/FI_gradingguideline/.
